Your Own Thing

What is it? Certainly not the same for any two people. Life has its own special meaning for each individual. Many of us are unsure about what we really expect to receive from life, but every person recognizes the significance of his existence.

Few of us would deny that school has played an influential role in molding our personalities. Its academic and extracurricular activities have all acted in some way as a deciding force. Some students discover the essence of life in an algebra problem. For others, real purpose lies on the basketball court.

Where do you find fulfillment for your life? What is your own thing? Maybe you are not yet ready to identify this, but let the 1969 *Tempus Fugit* serve to provoke thought. Remember the football game we almost won and the day senior rings came. Then there was your new formal for the Valentine Contest; that little disagreement with your history teacher; and the time you actually made an "A" on your book report.

Find yourself on the pages of this yearbook, then laugh or cry as the situation demands. You will often rejoice and probably have a few regrets also. Here are you and RCHS. Your own thing.

Spirit prevails above all

Mr. Cockrell sets the pace

Most of us were initiated into high school through one of his English classes. He efficiently introduced us to complex sentences and Shakespeare. We will long remember adverbial clauses and "The Merchant of Venice." Appreciation for his capabilities as a teacher will linger always.

Furthermore, we have discovered that he is a real flesh-and-blood person. He has been known to out-cheer the students at a basketball game and out-dance them at the Junior-Senior. He has proven himself a responsible leader also. One-act plays and homecoming floats materialize under his supervision.

Recognition of these talents alone motivates our desire to honor such a person. However, it is through his performance in the role of friend that he has become most dear to us. From him we have learned some of life's most valuable lessons. He made us realize that a successful existence requires one's very best, and we should stop at nothing short of this.

Often he has summed up his philosophy of life by quoting the immortal words of Polonius, who declared: "This above all: to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man." We paraphrase this into "do your own thing." So it is inevitable that the 1969 TEMPUS FUGIT BE DEDICATED TO MR. JERRY COCKRELL.

Dear Mr. Prescott:

Thank you for inviting me to select Rockdale County High School's Queen.

As requested, I have selected a Queen and four runners-up, and have marked the pictures accordingly. Judging from pictures alone is quite difficult and perhaps not the fairest way. I do hope the rest of the candidates are not too disappointed.

Congratulations and best wishes to all the girls.

Alumni Return to See Nancy Crowned Homecoming Queen

An exciting and spirit-filled week was brought to a close on a freezing cold Friday night by a Bulldog victory and the crowning of Nancy Downs as the 1968 Homecoming Queen. During the week students were busy putting final touches on floats and the Theta-Zeta Try-Hi-Y decorated the halls with red and black crepe paper.

That night, pre-game activities included the parade of floats and Homecoming candidates. The bulldogs marched over South Gwinnett during the first half of the ballgame. At halftime it was announced by the FTA that the Drama Club built the winning float. This was followed by the introduction of Homecoming candidates: Shiree Mann, Nancy Downs, Ginger Butler, Carolyn Cook, Debbie Buhler, and Cathy Hutson. The second runner-up was Debbie Buhler, first runner-up was Cathy Hutson and Nancy Downs was crowned Queen.

Rockdale went on to win the game and the happy but half frozen fans left the Bulldog Pen with many a memory of this night.

Student Council Sponsors Youth Inspiration Week

The Student Council has proved itself the leading figurehead of the student body. This year the Student Council sponsored the first Youth Inspiration Week at RCHS. During the week we listened to Secretary of State Ben W. Fortson and Dr. Garland Pinholster, Dean of Administration at Oglethorpe College, and other outstanding speakers.

They also sponsored the 4th annual powder-puff game, which was won by the Sophomores and Juniors.

The Student Council added other events such as motorcades to the football games, school-spirit day, and clean-up-your-school week.

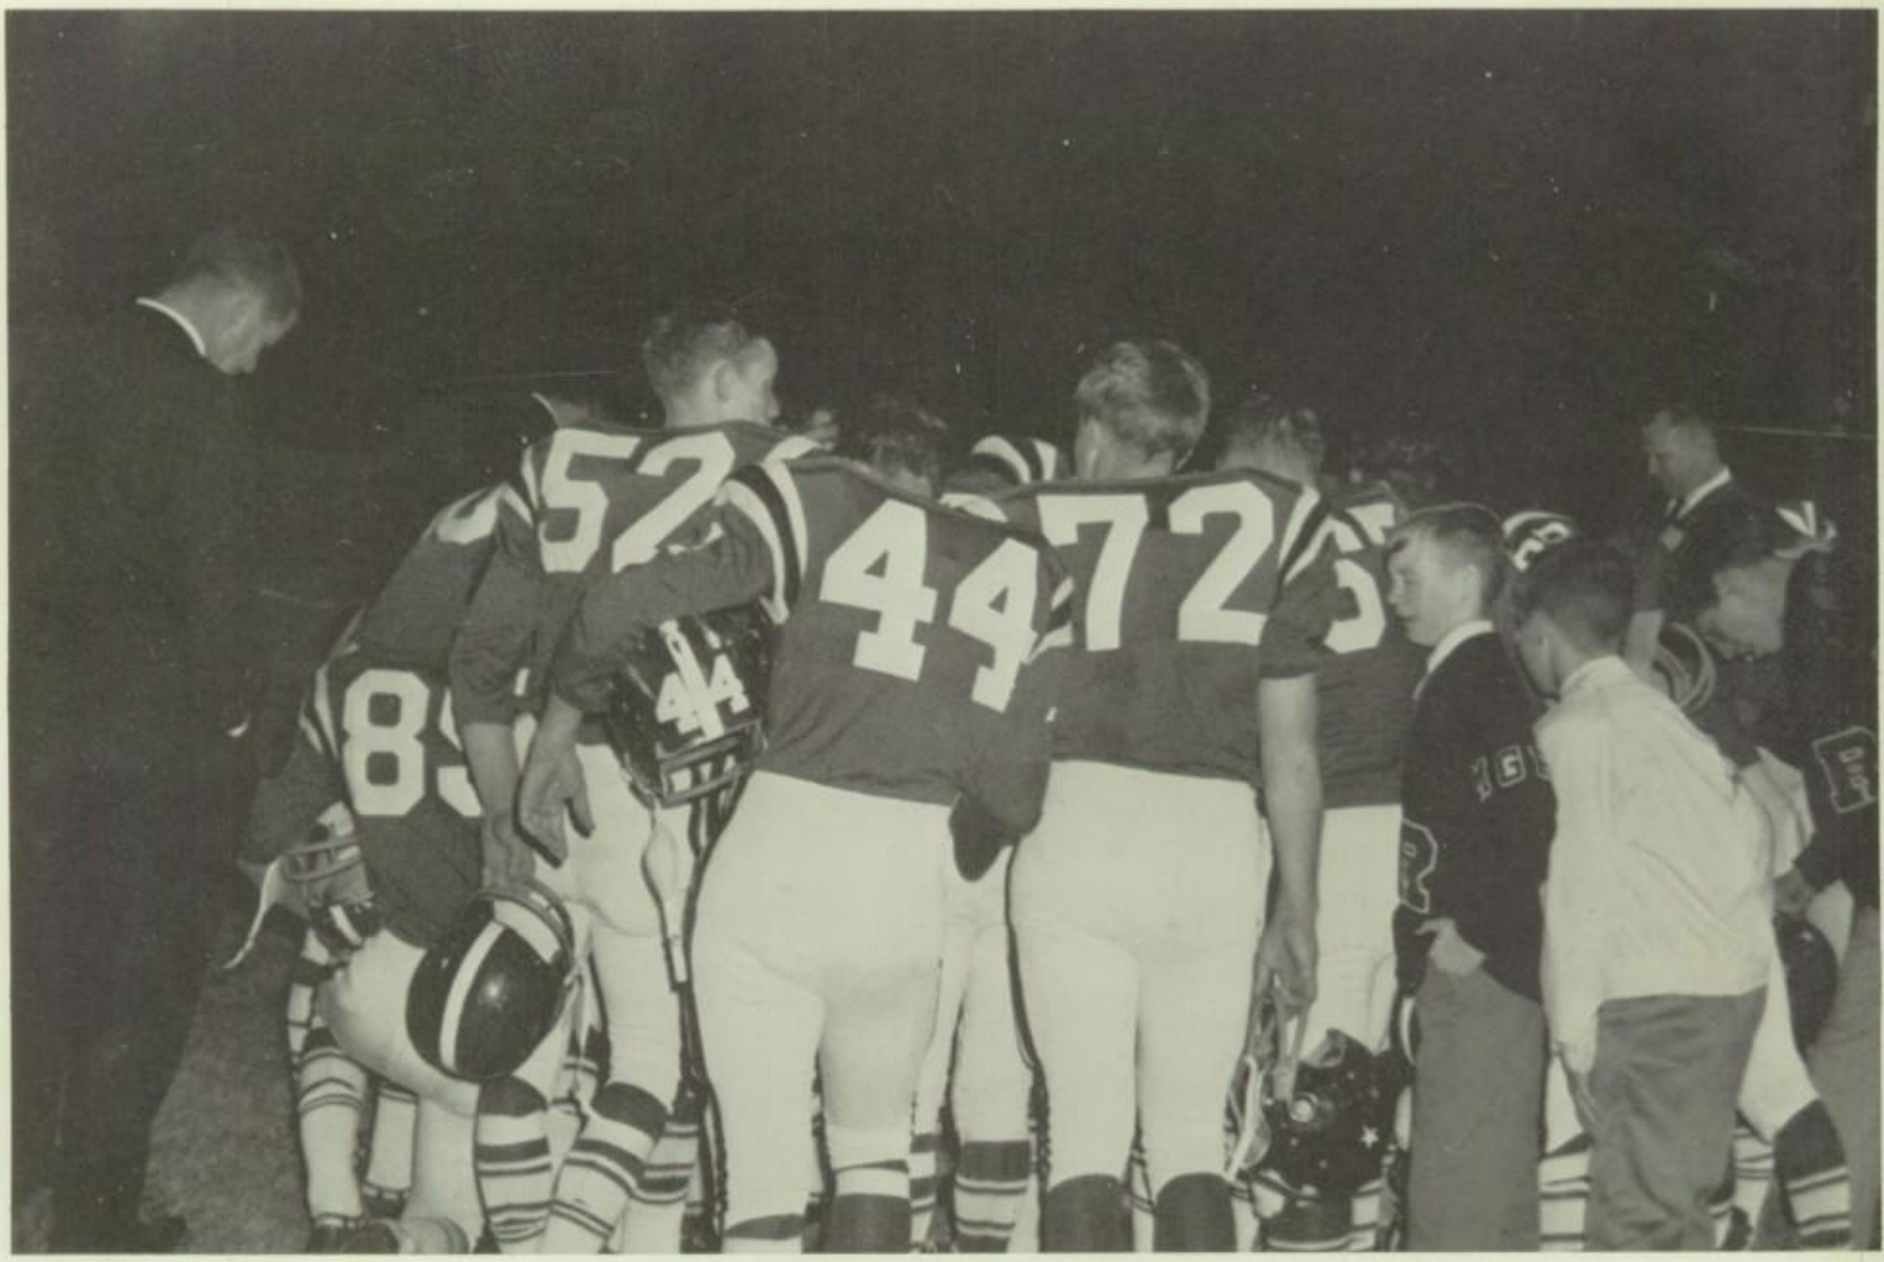
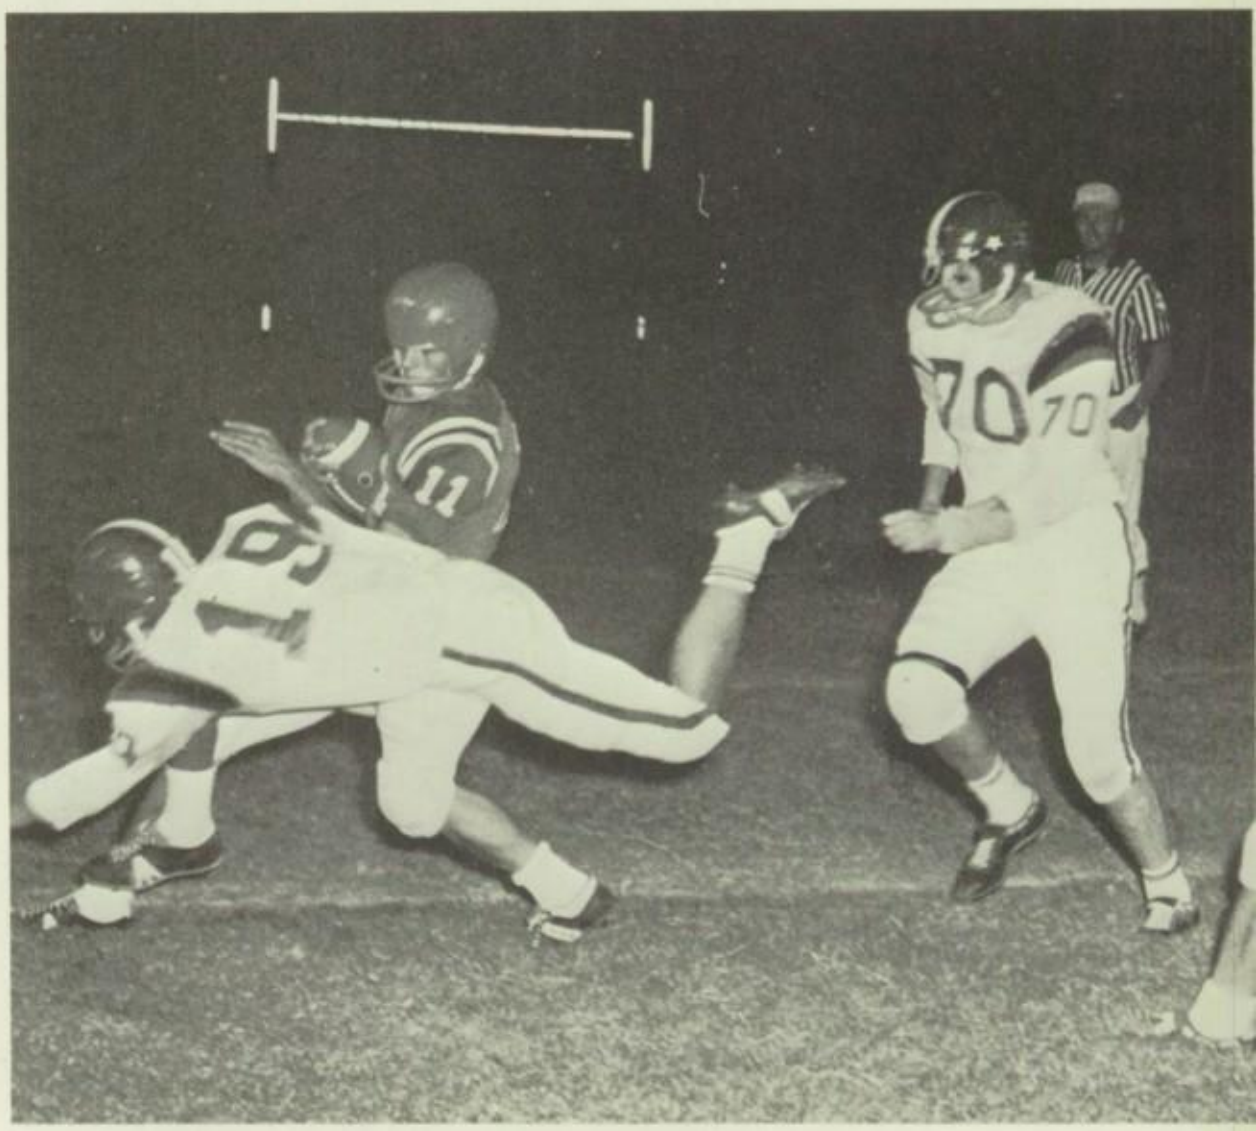
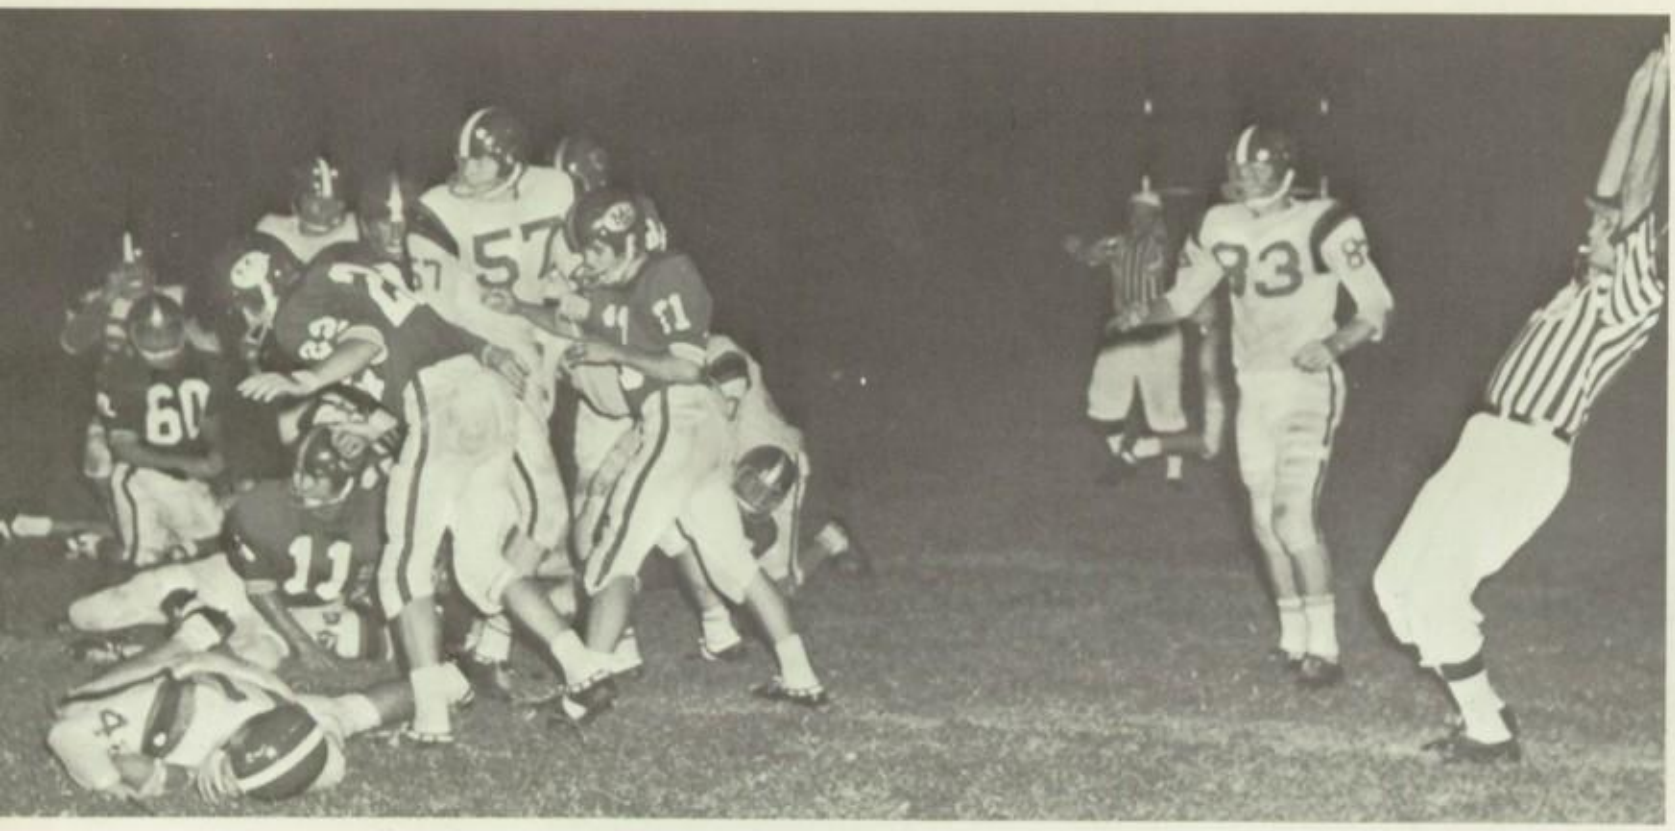
23 Seconds Away From Region Champs

Rockdale kicked off to an exciting season, defeating Newton County for the first time in eleven years. The team had won 2 and lost 2 when the Commerce game was played. Rockdale was leading 14-0 after only two and one-half minutes of play, but a strong Commerce team had some lucky breaks to win in the last few minutes of the game. The next game was primarily a mud battle against Stone Mountain at Dekalb Memorial Stadium as fans and players alike were drenched in a downpour. Winning this game would have almost assured us of a Region championship, but the soggy Stone Mountain team crossed the goal line with only 23 seconds to play. The South Gwinnett game was a great Homecoming victory for the Bulldogs and helped to reinstate their somewhat dampened spirits. We ended our season with a win against Monroe to make us finish second place in the region.



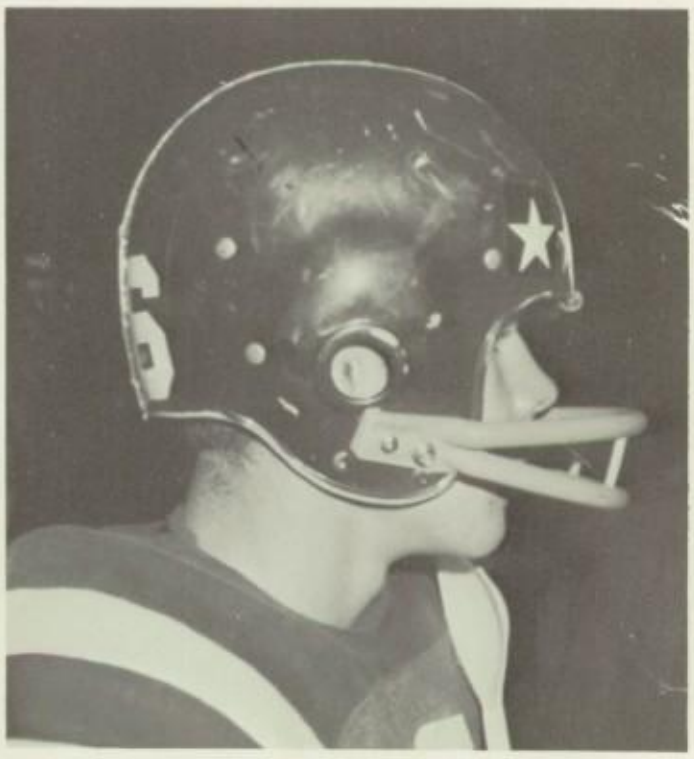


Push up, Grover, push up.



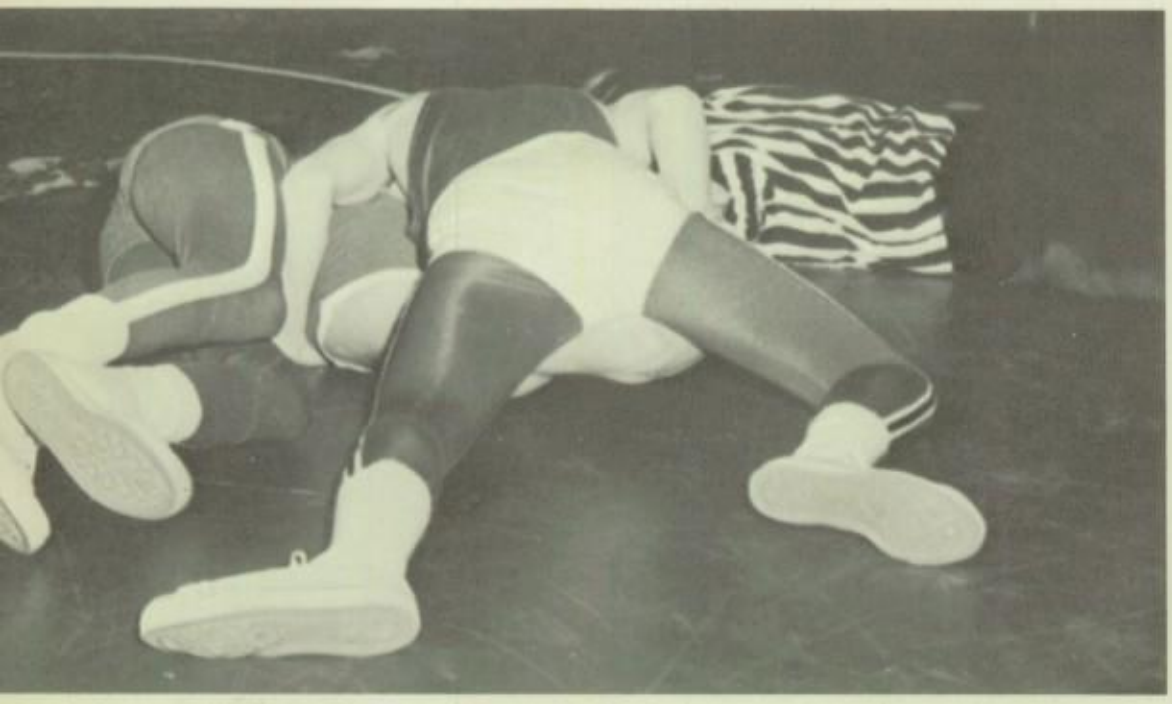
Touch who?

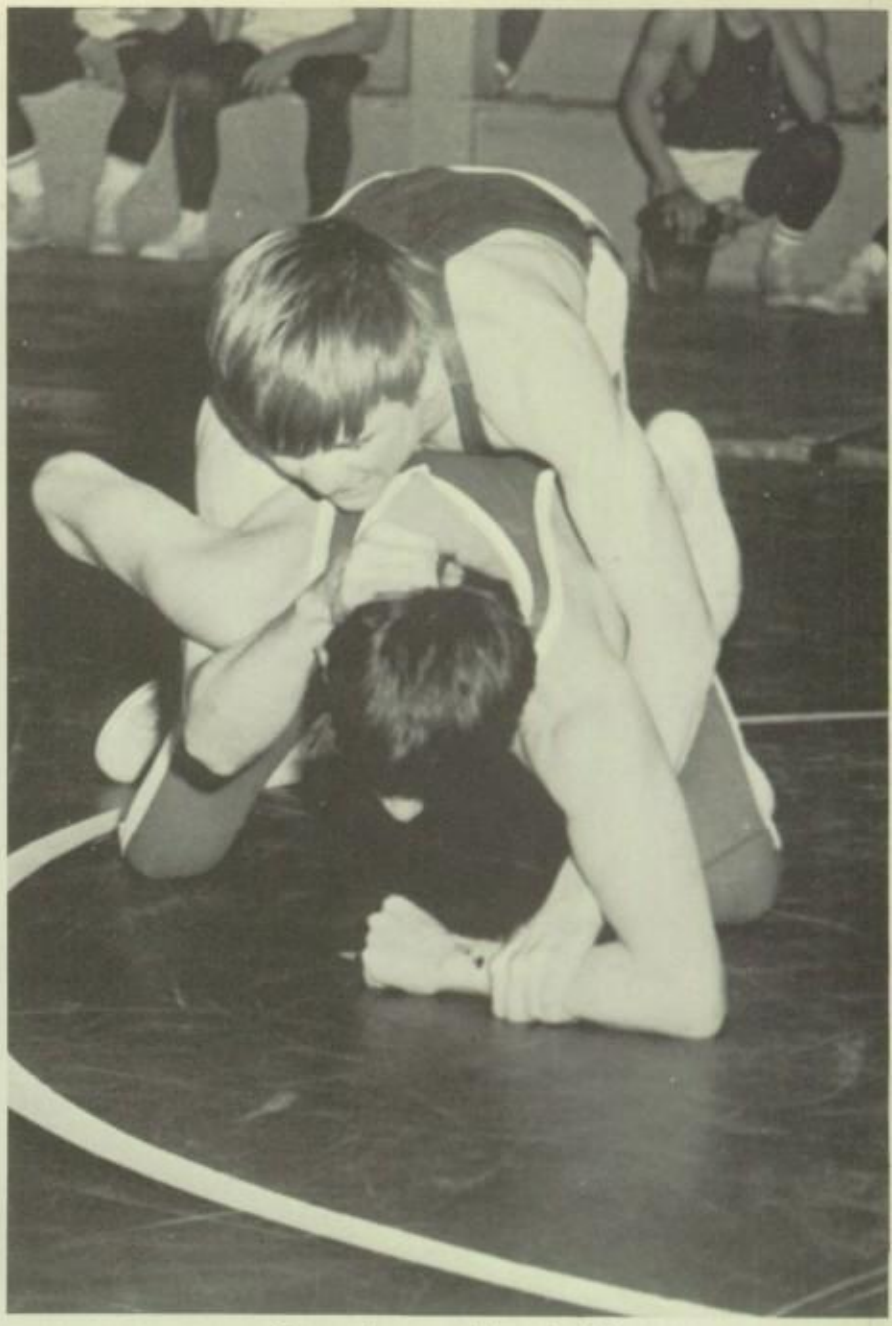
That's a no no, Bill.



Winning Streak on Home Mat Inspires Four State Title Winners

The 1968-69 wrestling team had great success with four boys placing in the State Finals. Casey Hill took first place by a wide margin while Phillip Dooley lost a tough one by only one point to take second place. Both Larry Davis and Marshall Kerlin placed fourth.





Casey wins state championship.

Lynn and Seniors Prove Good Leaders

Watch this . . .

The '68-'69 Girls' Basketball team, led by Captain Lynn Robinson, had a much-improved season with 12-10 record. They had tough breaks all during the season but continued to fight back. Although they lost out to a tough Henry County team in first round of Sub-Region Tournaments, they could well be classified as one of the best teams in this region.

(RESERVED for WANDA)

Joe,

Well, I thought at least you would have reserved me a page but I don't guess you even thought about lil' ol me. I hope you won't forget me too soon, 'cause I don't think I could ever forget you and all the good times we had about a year ago. I wish we could get back together again, that is, if you really want to.

You really have no way of knowing how much you have meant to me during the last two years. Nobody could ever know that. Sometimes we do things that we really don't mean to do, and they spoil everything (Remember?) I mean that for what I did, not you!

I remember last year when y'all used that sweet little phrase that I couldn't stand. I didn't think I would ever be able to live that ~~one~~ one down! I sure am glad that I did.

Now, I've run out of stuff to write. I can't believe that can you? Not with my big mouth! (HA! HA!) Don't say me ~~word~~ word about that last statement.

Seriously Joe, it really has been great knowing you these last two years. I really have enjoyed. You a real great person and I guess I'll always like you. Please be good this summer and don't get into too much trouble.

Best Wishes, Good Luck to a guy who really deserves it!

Love Always,

Wanda

P.S. You could have at least signed your picture!
